Survey Script:

My name is__________ and I’m with Arlington Transportation Partners, a division of Arlington County Commuter Services. We are trying to better understand commuters that work in Arlington County so we are meeting with employees from local business to answer a few short questions. Would you like to participate in a quick 2-3 minute survey for a $5 dollar Starbucks gift card?

Take notice of the respondent’s sex. For female, check “X”, for male, check “Y”

1. Do you work in Arlington County?
   (Some people may be unsure if the work in Arlington County. We will all know whether it actually is in Arlington or not, so we can record the correct answer)
   If respondent answers “no”, ask where they do work, and continue the survey.

2. Where do you commute from? (ZIP)
   (If they are unsure, ask about that particular morning)

3. How do you normally get to work each morning?
   Let the respondent give as many modes as possible. Write all down. If they give more than one, ask for their PRIMARY mode. If they drive alone, ask if they would be willing to try something different.

4. Does your employer offer any of the following commuter benefits programs:
   - Transit Benefit (if they seem unsure, offer the options (pre-tax, direct, combined)-record type of benefit if the respondent knows.
   - Telework
   - Compressed work-week
   - Flextime
   - Preferred parking for carpools and/or vanpools
   - Bike lockers or showers
   - Information on commuting options available
   If drive alone, ask which benefit would make them want to try something new.

5. Would you mind telling me which company you work for?
   (If they are based in an office that is not their actual employer, ask where their home office is)

6. Would you like to volunteer your age range?
   (18-24, 25-34, 35-44, 45-54, 55+)

7. Do you have any other general comments about your commute?
